

## **Second round of recruitment for the international EU TalentOn competition has started!**

EU TalentON is a competition for young, ambitious scientists who want to shape the future and influence what surrounds us. During the several-day hackathon, which will take place from September 9 to 14 in Katowice - the European City of Science, together with ambitious young scientists from all over Europe, you will develop an innovative solution that can improve the quality of our lives. **The winning team will receive a cash prize!**

The task of each team will be to prepare the best possible scientific solution to a problem in the area of one of the five missions of the European Union, included in the light of the Horizon Europe program:

1. Adaptation to Climate Change 🌍
2. Cancer Prevention and Care 🩺
3. Restore our Ocean and Waters by 2030 🌊
4. 100 Climate-Neutral and Smart Cities by 2030 🏙️
5. A Soil Deal for Europe 🌱

More information can be found on the website: <https://eutalenton2024.eu/>

Sign up today and change the world! **Recruitment lasts until July 7.**
